

## **Dream Seeds (Matthew 13) – (11/27/12) Biblical Discussion**

What is a seed, or what is a seed to you?

What seeds are you planting? And what soil are you planting them in?

What is God's love to you? What is a blessing?

His love is unconditional, but his blessings are conditional. God love because of who I am and bless me because of what I do.

God's love – **John 3:16, Romans 5:8,**

God's Blessing – **Isiah 1:19, Deuteronomy 28:1-2**

What God wants for us – **Matt. 9:35, 6:30, Psalm 103:3, 3 John 2, Acts 10:38, James 1:17, Deuteronomy 8:18**

Miracles are not accidents – **2 Peter 1:4**

Miracles and blessing are God's reward for using our faith

What is a dream seed to you?

Dream Seeds - **Romans 4:18,20, Mark 5:28-29**

Dream Seeds – is the invisible photograph within you of the desired miracle or blessing you want from God

How to achieve your dream seeds:

**The Master Key of Respect** – it must be something you respect enough to pursue.

What you respect, you will attract. Example, if you desire a good health, respect your body.

Respect the things you are entrusted with.

We lose respect when we become too comfortable with our position

Respect brings favor, finances, friends ...

**The master Key of Desire** – the proof of Desire is pursuit. "Necessity is the mother of inventions." Rather, I believe that desire is what gives birth to miracles. Wright brother - fly, Thomas Edison – light bulb, Henny Ford. We often dive for the pennies of life instead of reaching for the high quality principle that God has intended for us to live by. **Psalm 35:27**

3 major ways you can feed your Desire for you Dream

1. Visualization – sustaining the mental photograph of what you want to receive from God. **Mark 5**
2. Associations – wholesome relationships that create a momentum toward your dream seed. **Proverbs 13:20**
3. Concentration – Focus on the completion of one worthwhile goal at a time

**The Master Key of Imagination** – You will always move in the direction of your strongest and most dominate thought. Example, David, when faced Goliath, he mentally replayed his previous victories in killing lion and bear.

**John 14:2** – goal-setting, visualization, imagining

Bad Imaginations – Noah's time, they did not believe or even imagine that God will destroy them in their sins.

**Romans 1:21** – misuse of imaginations.

**The Master Key of Obedience** - Romans 12:1, 1 Samuel 15:22-23

**The Master Key of Seed-Faith** – Hebrews 11:1

**Notes:**
